

THE STATE OF TEXAS,

vs

Kevin A. Wiederhold
_____ /

IN THE COUNTY COURT OF LAW

COURT #7

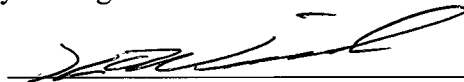

TRAVIS COUNTY, TEXAS

THE DEFENDANTS WRITTEN PLEA OF NOT GUILTY

NOW COMES the innocent Defendant Kevin A. Wiederhold and hereby files his Written Plea of Not Guilty for the charge of "Harassment", Texas Penal Code 42-07. Innocent Defendant asserts there was no statute or subsection and no date of offense on the "charging" document presented by a "Magistrate" on Sunday the 26th of July, 2020. The Defendant asserts NO probable cause charging document of the allegations against him was given to him by the Booking Dept at the Port Lavaca Sheriffs Dept Jail upon arrest, nor a charging document given by the "Magistrate", nor any charging document upon release from the jail on Sunday the 26th of July, 2020. Defendant has not received a copy of the allegations, or time and place (Nature of alleged offense) which is unconstitutional and definitely not a enough information to even place the exact subsection on this pleading/motion. Defendant asserts, there was no \$5000.00 bond on this fake charge in 2015 when innocent defendant was first assaulted by several idiots yelling "Detainer in Travis Texas" s few using rifles with scopes and tasers mounted on them near Defendants Louisiana home May 13th, 2015. Defendant was then insanely tasered in the heart by idiots and beaten, all of which led to his 3rd home being finally stolen and much more. Furthermore defendant asserts he later called the Travis County Sheriffs office in August 2015 was continually told there 'was no such charge/warrant or detainer at all" Defendant had called several

times and gave up because he didn't want to get charged with a 'Harassing Phone call' just trying to get proof there was no charge out of Travis County Texas. Since Dec of 2015 one or more of the insane perpetrators of that insane "Detainer in Travis County Texas" Louisiana attack named David Labou et al has been emailing defendant insane, sick, threats and messages about 'Killing Roscoe" and "Smashing defendant's) head in with monkey wrenches'.

I, HEREBY CERTIFY, that the above statements are true and correct under penalty of perjury according to Texas Penal Code Sec 37.02 on this 3rd day of August 2020.

Kevin A. Wiederhold, Pro Se
